WORK EXPERIENCE

NQSTV (Inquisitive Cost and Contract Training and Consultancy Services)
Intern — 450 Hours (OJT)

Liliw, Laguna
February 16 – May 18, 2026

- Configured network infrastructure and performed client PC maintenance, ensuring stable and reliable office connectivity.
- Deployed a Network Attached Storage (NAS) file server using TrueNAS with ZFS RAID, and established secure remote access via Tailscale VPN, enabling seamless file sharing between office branches.
- Built and launched a company portfolio website with a custom domain, live chat, contact form, SEO optimization, and Content Security Policy (CSP), achieving Lighthouse scores of 99 Performance, 100 Best Practices, and 91 SEO.
- Designed and developed the FILER application — a Python/Tkinter desktop tool for construction project file organization, featuring trade-based folder automation, a drag-and-drop file manager, and a dashboard with pie chart analytics.
- Designed and edited social media promotional materials (pubmats) using Canva for consistent brand visibility across platforms.

PROJECTS

NQSTV Company Website
Website Developer

<https://www.nqstv.net/>
February – May 2026

- Built and deployed a full company portfolio website from scratch using vanilla HTML, CSS, and JavaScript, hosted on GitHub Pages with a custom GoDaddy domain.
- Integrated EmailJS contact and enrollment forms, Crisp live chat, cookie consent, and SEO optimizations — achieving Lighthouse scores of 99 Performance, 100 Best Practices, and 91 SEO.
- Implemented UI features including an animated logo, particle effects, responsive project carousel with drag/swipe support, glow animations, and a custom AI-generated mascot character.

AeroTech 747: Rescue Drone
System Integrator / Programmer

2024 – 2026

- Developed a rescue drone system integrating YOLOv8 AI (trained via Roboflow on custom annotated datasets) with a thermal camera and TF-Luna LiDAR for real-time human tracking and depth sensing.
- Configured Pixhawk Ardupilot flight controller firmware and programmed autonomous flight parameters using Mission Planner; operated the drone during field testing and validation.
- Built a ground control station with an AI-powered monitoring interface for live sensor data display and autonomous operation support.

FILER — Construction File Organizer
Developer

github.com/gabrielgutz18/FILER
March 2026

- Designed and developed a Python/Tkinter desktop application for automated construction project file management, with trade-based folder generate and a dual-pane drag-and-drop file manager.
- Implemented a dashboard with pie chart analytics (Matplotlib) and an Advanced Reorganizer for bulk file restructuring.

Personal Portfolio Website
Website Developer

gabriel-port-zeta.vercel.app
2025 – Present

- Designing and developing a personal portfolio website using React.js and TypeScript, deployed on Vercel, to showcase skills, projects, and professional background.

EDUCATION

Pamantasan ng Lungsod ng San Pablo
Bachelor of Science in Computer Engineering

San Pablo City, Laguna
2022 –2026

Saint Mary's Academy of Nagcarlan
Senior High School — Science, Technology, Engineering, and Mathematics (STEM)

Nagcarlan, Laguna
2020 – 2022

Saint John The Baptist Academy
Junior High School — Graduated with Honors

Liliw, Laguna
2016 – 2020

CERTIFICATIONS

- Fireside Chat: Auditing Artificial Intelligence — Risk, Opportunities, and Leading Practices (September 25, 2025)
- Google Developer: Building a Web Solution using Gemini and Firebase Studio Workshop (September 19, 2025)
- SimpliLearn | SkillUp: CCNA 200-301 Network Fundamentals (January 16, 2025)

SKILLS

Programming	Python, JavaScript, HTML5, CSS3, React.js, TypeScript, C++, MySQL
Tools & Platforms	Git/GitHub, Vercel, Supabase, GoDaddy, TrueNAS, VS Code, Cursor
Creativity tool	Canva
Hardware & Systems	Network Troubleshooting & Maintenance, System Troubleshooting & Maintenance, OS Installation, Arduino IDE, Raspberry Pi, Pixhawk Ardupilot
Soft Skills	Problem-Solving, Critical Thinking, Communication, Adaptability, Creativity, Willingness to Learn
